

Have a NOTE-PERFECT WEDDING DAY with

Voices from The City of Birmingham Choir

From madrigals to light music, hymns and anthems to jazz, we are the perfect organisation to meet all your wedding needs. Highly versatile and flexible, with a group of between ten and thirty singers, we can discuss ideas to bring the music you want to your wedding.

The group is drawn from The City of Birmingham Choir - one of the leading large and auditioned choirs in the country. The Choir frequently sings with the City of Birmingham Symphony Orchestra, giving concerts in Symphony Hall and Town Hall as well as Worcester Cathedral, so high quality is assured.

We have previously sung at several weddings, receiving enthusiastic feedback for having added an extra touch of magic to the occasion, as well as for leading companies in locations such as the ICC in Birmingham. Whether your wedding is in a church or elsewhere, a high-quality sound is guaranteed for reasonable prices.
