**David Briggs** is an internationally acclaimed organist, and since 2017 the Artist-in-Residence at the Cathedral Church of St. John the Divine in New York City.

David has local connections, being born in Bromsgrove and a scholar at Solihull School before studying at Magdalen College, Oxford. Subsequently he continued his studies at King's College, Cambridge before cathedral posts at Hereford, Truro and Gloucester. David has been based in North America since 2003 but tours extensively and teaches at Cambridge University.

The City of Birmingham Choir is delighted to be collaborating with David in one of his few performances this year in the UK.

Join David and the Choir in a celebration of choral and organ music by virtuoso French organist composers of the last century.
